Bradtke J Antique Movers  
4515 N Kedzie Ave  
Chicago, IL 60625

Dear Alan,

Thank you for moving me AGAIN!!

I moved on December 1<sup>st</sup>, the day of the big snow storm. Despite the weather, Frank and his boys (Mike and Gil) were amazing, as usual.

The first time I moved back from California, I had a terrible experience with my movers (Moishes) and will never use them again. The second time (May 1<sup>st</sup>, 2006) my scheduled movers didn't show up to work that day and I was stuck (Goshen). So Bradtke came to the rescue and saved my day, despite having a jam packed schedule. You don't know how thankful I was.

This past move was perfect. I have now learned my lesson, and will never use anyone else again!!

Thanks to you and your guys for making it an easy, stress-free day. They were professional, polite, careful, patient...all while working quickly and efficiently. I have no doubt I will recommend Bradtke to anyone.

Have a Great Holiday.

Sincerely,
